

TM-CLOUD / TM-CLOUD PLUS

1 YEAR SUBSCRIPTION - 25 USERS

TimeMoto Cloud's power, scalability and flexibility, make it the ultimate Time and Attendance solution for every company.

TimeMoto Cloud enables you to handle all your timesheets, scheduling and reporting from any location, whenever you need it.

Access TimeMoto Cloud using any browser, TimeMoto app or in combination with TimeMoto terminals. All fully accessible online. You don't have to install any software or purchase servers. No need to pay for an upgrade, your TimeMoto Cloud is continually up to date. A flexible and low-cost solution for all your time attendance needs, whether you have ten employees or ten thousand.

Looking for a treasure trove of extended features? TimeMoto Cloud Plus has it all. Example of tools this system is outfitted with: 24-hour scheduling of (individual) shifts; employee arrival and departure notifications outside standard working hours; individual employee tracking of annual vacation and work hours; reduction of overtime by balancing schedules; and more effective scheduling with our special holiday feature.

More users? No problem. TimeMoto offers 2 different expansion packs to customize and expand your TimeMoto experience.
