SAFETY DATA SHEET

Commercial Product Name	Correctable Cassettes
Chemical Composition	Polyethylene film coated with a preparation containing oil, pigment & resin
1 Physical data	
1.1 Melting point	Not applicable
1.2 Decomposition temperature	c.350°C
1.3 Odour	Slight
1.4 Physical form	Component parts all solid
1.5 Density	Not applicable
2 Storage stability & handling.	
2.1 Transport & storage	Store in dry warehouse at normal temperature
2.2 Hazardous decomposition products on burning	CO ₂ , CO and traces of styrene and formaldehyde depending on thermal conditions
2.3 Disposal	In bulk with approval of local authority otherwise normal domestic routes
3 Fire & explosion hazard	Combustible in contact with flame
3.1 Extinguishing media	Water, foam, dry powder
4 Toxicity	May be regarded as physiologically harmless and non-toxic to humans
5 Ecology	Not biodegradable or water soluble
This information is based on present state of knowledge and is intended to describe this product from the point of view of safety requirements and not guaranteeing specific properties
