Overview

If you need to protect important notices, these cases are an ideal choice. Available for inside and outside use, they feature a 4 mm security glass front and lock with a key, perfect for safety and security.

Description

The Nobo lockable, wall-mounted, glazed memo case is the practical yet stylish solution for creating eye-catching displays whilst keeping your notices in pristine condition and free from tampering.

Designed for indoor use, it features a contemporary aluminium frame, smart blue felt lining and hinged glazed door. With external dimensions of 1040 mm (height) by 792 mm (width) the case can accommodate up to 9 x A4 posters.

The Nobo display case comes assembled and ready to install, complete with instructions, invisible

wall bracket and fixings. And the 3 year manufacturer's warranty means you can purchase with total confidence.

Secure: your important information will remain safe and intact thanks to the lockable door incorporating a top quality barrel lock. 2 identical keys are provided so you won't be caught out if one goes missing.

Robust: the strong, aluminium frame is powder coated for extra durability and corrosion resistance, whilst moulded nylon corners mean you won't cut your fingers on any sharp edges. The 4mm toughened safety glass in the hinged door ensures optimum safety and security.

Professional: with its smart blue felt lining, this notice board is ideal for offices, public buildings and schools. The door opens out 100° for quick and easy access to the contents, particularly useful if displays are changed on a regular basis.

Simple: open the box and you'll find that your new display case is assembled and ready to install. Following the instructions provided, one person can manage this task easily and safely using the wall fixing bracket and wall fixings supplied. The case can be hung with the door opening to the left or the right, whichever best suits your chosen location.

Once installed, it takes just seconds to pin or Velcro your notices and memos in place then arrange them to create a tidy, eye-catching display.
