

Steel Storage

Steel storage & accessories

About Steel

Steel storage comprising of executive and contract filing cabinets, cupboards, tambours, lockers, security cupboards, security filing cabinets and internal fitments.

“flexible solutions...”

Filing Cabinets

Contract filing cabinets are designed and manufactured for today's modern office environment, offering excellent value for money. They are strong, reliable and safe.

Recessed handle & label holder

High sides for added strength

Contract Filing Cabinets

Contract Filing Cabinets are available in 2, 3 and 4 drawer options. Each drawer is fitted with anti-tilt device to prevent more than one drawer opening at the same time. The drawer front is fitted with a recessed handle and label holder.

All drawers have high sides for additional strength and allows support for foolscap suspended filing. Cabinets are available in Grey, Black and Coffee/Cream paint finishes.

Cupboards

These multipurpose stationery cupboards are ideal for any office that has storage requirements. They are strong and versatile. Delivered fully assembled.

Contract Double Door Cupboards

Contract Double Door Cupboards offer an economical solution to today's office storage and filing requirements. They are available in two heights 1016mm and 1829mm high, and are 914mm wide. The doors open through 180 degrees allowing the use of roll out fitments. The lock consists of a two point locking system with a flush twist handle and two keys.

GO Filing Cabinets

GO filing cabinets are built to last with heavy duty steel, double skin drawer fronts and high quality components. Flush drawer fronts and Swan handles offer a stylish look.

GO Filing Cabinets

Go filing cabinets are available in two, three and four drawer options. Each drawer has 100% extension opening to maximise filing space. An anti-tilt locking device is fitted to every cabinet, preventing more than one drawer being opened at a time. Each drawer has high sides to provide additional strength and allows support for foolscap suspended filing.

GO Side Opening Tambours

Go side opening tambours are the ideal solution for storage in areas where space is an issue. A wide selection of internal storage fitments means that you are able to accommodate all your storage requirements in one place.

GO Side Opening Tambours

Go side opening tambour units are user friendly. When opened the tambour doors slide back on a discreet track into the unit so less space is needed and there are no open doors in a busy office. Each unit is fitted with finger grip handles and a two point locking system and 2 keys (master series). Full length magnetic slam rails keep the doors tightly closed. All tambour units are supplied empty, a complete range of internal fitments are available, see opposite.

Tambours are available in 3 sizes 1016, 1651 and 1981mm high and are 1000mm wide. Grey and Black are supplied with a Grey tambour and Coffee/Cream are supplied with a Cream tambour.
