

**hp coated paper**

**universal hp printing material for large format printers**

Designed for full colour graphics in a variety of applications. Use it for signs and posters that will be frequently changed or replaced. It offers high quality images at a low cost with no glare and fast drying times. Also ideal for technical applications.

target customer	application	user needs
graphic artists & designers	<ul style="list-style-type: none"> <li>low-density indoor signs</li> <li>posters</li> </ul>	<ul style="list-style-type: none"> <li>low cost</li> <li>vivid colours</li> </ul>
technical users	<ul style="list-style-type: none"> <li>CAD drawings</li> <li>maps, GIS images</li> </ul>	<ul style="list-style-type: none"> <li>high quality line drawings</li> </ul>
print service provider/retailer	<ul style="list-style-type: none"> <li>pre-press set-up &amp; output</li> <li>short-term indoor signs</li> </ul>	<ul style="list-style-type: none"> <li>opaque on text-based output</li> <li>matte finish</li> </ul>

features	benefits
extremely low prices	resellers can be more competitive and end-users can save a lot of money
printer flexibility	works on non-hp large-format printers eliminating need to buy/stock multiple brands
dries in less than 1 minute	fast drying allows quick and easy mounting & post-processing

product specifications	
weight	95 g/m <sup>2</sup>
thickness/calliper	127 microns
smoothness	189 per TAPPI t-538 test method
whiteness	117 per CIE ganz 82 test method
brightness	90 per TAPPI t-452 test method
opacity	89 per TAPPI t-425 test method
gloss level	N/A
country of origin	Germany

environmental specifications (based on hp designjet cp ink systems-dye)	
operating temperature	15° - 30°C
operating humidity	20% - 80% RH
lightfastness	3 months indoors (w/delta e<10)
waterfastness	delta OD < 0.1
archivability	N/A
dry time	less than 1 minute
shelf life	one year (minimum, when at operating spec.)

mounting & finishing (for specific information, see printing tips on the web)	
lamination	yes (not recommended with high ink coverage prints)
mounting	yes (not recommended with high ink coverage prints)
