	12.30 x 5.80	Height x Diameter(cm)

Product Description

The KLEENEX® Moisturising Alcohol Instant Hand Sanitiser kills (in as little as 30 seconds) up to 99.99% of the common bacteria, fungi, yeast and viruses that can cause infection or illness. This alcohol-based hand sanitiser contains a high level of emollient to protect against drying, and leaving hands soft, yet instantly clean. Our sanitiser meets the requirements of the Biocidal Products Directive (98/8/EC) making it perfect for regular use in hygiene-critical areas such as healthcare and food processing environments. The handy 100ml bottle is perfect for pockets, bags or desks and is recyclable after use (when the cap is removed). Use biocides safely. Always read the label and product information before use. 24 x moisturising hand sanitiser bottles, clear/fragrance-free, 100ml (2,400ml total)
