## Plastic

3D plastic embossing labels stick to any smooth, clean surface and are resistant to water, corrosion, abrasion and most chemicals. Whether you use them indoors or outdoors, you can count on them to last - and stay in place.

Length: 3 m

## Rhino Embossing

### Aluminum and Stainless Steel

For heavy-duty, extreme-condition labeling. Excellent resistance to chemicals, extreme weather conditions, high and low temperatures and abrasion. Ideal for marking pipelines, underground cables, engine parts, building materials and more.
