- Suitable for use with all digital projectors

PRODUCT IMAGE:

MARKETING COPY:

Versatility and smoothness are two words that better describe the Bi-Office glass board product range. Considering its core component, glass, it has little to no trims making it extremely easy to fit with any modern or more classical décor. This stylish projection board can also be used as a magnetic and write on board, being the perfect solution for meeting rooms, offices and conference rooms.

APPLICATION AND SALES PROPOSITION:

- Ideal for any surrounding, as it easily and elegantly mingles with the existing elements
- Perfect for the minimal décor tendencies

TARGET MARKET:

CHANNEL: Office products wholesalers, office products stores, other retailers and building contractors
 END USERS: conference centers, hotels, public buildings, public store buildings and private and public buildings in general

ADDITIONAL NOTES:

Other information supports: our official websites, Youtube®, Facebook®, catalogue and online catalogue, demo videos and more.

PROMOTIONAL TIPS:

No specific timing, thus we recommend the occasional promotion like offering of accessories.
