EB-S39

DATASHEET / BROCHURE

With the versatility to mount just about anywhere, bright, sharp images and low maintenance, the EB-S39 is a great all-rounder for business.

The EB-S39 offers a very versatile proposition that can be mounted just about anywhere. Meanwhile long lamp life and trusted Epson durability offer peace of mind and minimal maintenance.

Bright, vivid content on a large scalable screen

Enjoy large scale presentations with crisp, clear text, as well as compelling imagery and video content, on screen sizes up to 350 inches. 3,300-lumen performance combines with a high contrast ratio of 15,000:1 to offer outstanding visual performance, even in well-lit rooms.

Years of uninterrupted meetings

With a lamp life and air filter maintenance cycle of 10,000 hours in eco mode, users won't need to worry about maintenance for up to 5 years1.

Installation and placement flexibility

Automatic vertical and manual horizontal keystone correction provide greater flexibility as to where the projector can be placed in the room for distortion-free images and the wide optical zoom adds to the flexibility.

Wi-Fi capability

Wi-Fi compatibility means the EB-S39 can be upgraded for wireless device access at a later stage (optional accessory required).

High quality sound

This projector has a built-in 5W speaker to allow audio content to be heard clearly without the need for seaparate external speakers.

KEY FEATURES

- High-quality bright images
 3LCD technology and equally high white and colour light output
- Portable
 Small and light enough to be moved easily and used in multiple rooms
- High quality sound
 Built-in 5W speaker for crisp, clear sound
- Low TCO
 Lamp and filter life of 10,000 hours in eco mode
- Versatile and flexible control
 Project from many sources with HDMI
 and optional Wi-Fi connectivity
