Datasheet

HP ProDesk 400 G4 Microtower PC

Redesigned and future ready

Designed to fit the modern workspace now and in the future with a 27% smaller chassis than HP's previous generation, the stylishly redesigned, reliable, and secure HP ProDesk 400 MT is a powerful PC with performance that's scalable to grow with your business.

HP recommends Windows 10 Pro.

- Windows 10 Pro
- Intel[®] Core[™] processors²

Powerful options

Power through your day with high-performance 7th Gen Intel[®] Core™ i3/i5/i7processors² unleashed optional Intel[®] Optane™ memory and SSDs³, up to 32 GB of DDR4 memory³, and discrete graphics³.

Expansion that extends your investment

• The full value of your investment comes with expansion that extends the life of your PC. The HP ProDesk 400 MT has three bays and three full-height slots, and optional legacy ports³ to connect to multiple HP displays³.

Connection hub

 With eight total USB ports, two video outputs, and optional Bluetooth™3 connectivity, the HP ProDesk 400 MT becomes a hub for all your devices in the office.

Tested and ready

• The reliable HP ProDesk 400 MT experienced 120,000 hours of the HP Total Test Process and now has an optional dust filter³ to help extend the life of your PC by reducing airborne particulate intake in the most demanding work environments.

Featuring

- Power through your day with Windows 10 Pro and the powerful HP ProDesk 400 MT with built-in security, collaboration, and connectivity.¹
- HP Client Security Suite Gen3 features HP Multi-Factor Authenticate, HP Device Access Manager, HP SpareKey, and HP Password Manager. These tools work to keep data out of reach and defend against theft, attacks, and unauthorized users.^{4,5}
- Keep productivity high and downtime low with HP BIOSphere Gen3 firmware-level automation. Your PCs have extra protection thanks to automatic updates and security checks.⁶
- The HP Manageability Integration Kit helps speed up image creation and management of hardware, BIOS, and security through Microsoft System Center Configuration Manager.⁷
- Greatly improve data, voice, and video communication transfer rates over challenged LAN and Wi-Fi networks.
- Enjoy always-on, included self-help support built right into your PC, for the life of your PC.8
- Rest easy with a PC that goes the distance and is designed to pass HP Total Test Process.

| Weight | 5.47 kg |
| Energy Efficiency Compliance | ENERGY STAR® certified and EPEAT® registered configurations available 16 |
| Warranty | 1-year (1-1-1) limited warranty and service offering includes 1 year of parts, labor and on-site repair. Terms and conditions vary by country. Certain restrictions and exclusions apply. |

HP ProDesk 400 G4 Microtower PC

Accessories and services (not included)

HP USB Slim Business Keyboard Get fast data entry and quick USB connectivity with the HP USB Business Slim Keyboard, designed to complement the 2015 class of HP Business PCs.

Product number: N3R87AA

HP USB 1000dpi Laser Mouse

Obtain the speed and accuracy of laser tracking in a simple, elegant design with the HP USB 1000dpi Laser Mouse – for the latest in laser sensing technology.

Product number: QY778AA

HP 256GB Turbo Drive G2 PCIe SSD Drive

Reduce boot up, calculation, and graphics response times and revolutionize how your HP Business Desktop handles large files with the HP 256GB Turbo Drive G2 PCIe SSD Drive, a remarkably affordable and innovative storage solution.

Product number: T7W25AA

Receive 3 years of next business day onsite HW Support from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.

Product number: U6578E

HP ProDesk 400 G4 Microtower PC

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

 ² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your
- hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance
- ³ Sold separately or as an optional feature.
- HP Client Security Suite Gen3 requires Windows and Intel® 7th Gen processors.
- 5 HP Multi Factor Authenticate requires 7th Generation Intel® Core™ processor, Intel® integrated graphics, and Intel® WLAN.
 6 HP BIOSphere Gen3 features may vary depending on the PC platform and configurations.
- HP Manageability Integration Kit is planned to be available first quarter 2017 and can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html
- ⁸ Requires Windows and internet access

Technical specifications disclaimers

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/.
- Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary update. Features vary: see https://aka.ms/ProEducation for Windows 10 Pro Education feature information
- ³ This system is preinstalled with Windows 7 Pro software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ⁴ Multitore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

 ⁵ In accordance with Microsoft's support policy, HP does not support the Windows ⁸ 8 or Windows ⁷ operating system on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows ⁸ 8 or Windows ⁷ drivers on
- http://www.support.hp.com
- ⁶ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
- For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software
- ⁸ Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
- 9 Intel® HD Graphics 530: integrated on 6th gen Core™ i7/i5/i3 processors
- 10 Intel® HD Graphics 630: integrated on 7th gen Core™ i7/i5/i3 processors and Pentium® G4620, 4600, 4600T
- 11 Intel® HD Graphics 610: integrated on Pentium® G4560, G4560T, Celeron™ G3950, G3930, G3930
- ¹² Sold separately or as an optional feature
- 13 Miracast is awireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast.

 14 HP ePrint Driver + JetAdvantage: requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).
- Print times and connection speeds may vary.
- ¹⁵ HP MIK is not preinstalled, however available for download at http://www.hp.com/go/clientmanagement
- 16 EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
- 17 NOTE: Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com.

 18 Linux is not available for all regions/countries.
- ¹⁹ 3 SATA connectors.
- ²⁰ LANDesk subscription required.
- 21 The serial port is no longer standard to the chassis. Single serial port or serial port plus PS/2 port combination is available from HP. PCA currently does not support more than one serial port add on card.

 22 CyberLink Power Media Player: select models only; CyberLink Power2Go: select models only; Foxit PhantomPDF Express: Windows 7 only; Skype for Business Certified: is not offered in China.
