

## global powerstation® hub

Portable battery hub with interchangeable AC power prongs  
Compatible with Qi-enabled devices, smartphones, tablets, and other USB devices.

**4** CHARGE UP TO  
FOUR DEVICES

**UP TO 18W  
FAST CHARGE**

**6K PORTABLE  
BATTERY**

**UNIVERSAL  
WIRELESS CHARGING**

### USB-C PD FAST-CHARGE

A high-speed 18W fast charge USB-C PD output offers the most efficient charge.

### INTERCHANGEABLE AC POWER PRONGS

Recharge your powerstation hub in any region.

### QUICK CHARGE 3.0

The high-output USB-A port delivers up to 15W of power to compatible devices.

### COMPACT AND CONVENIENT

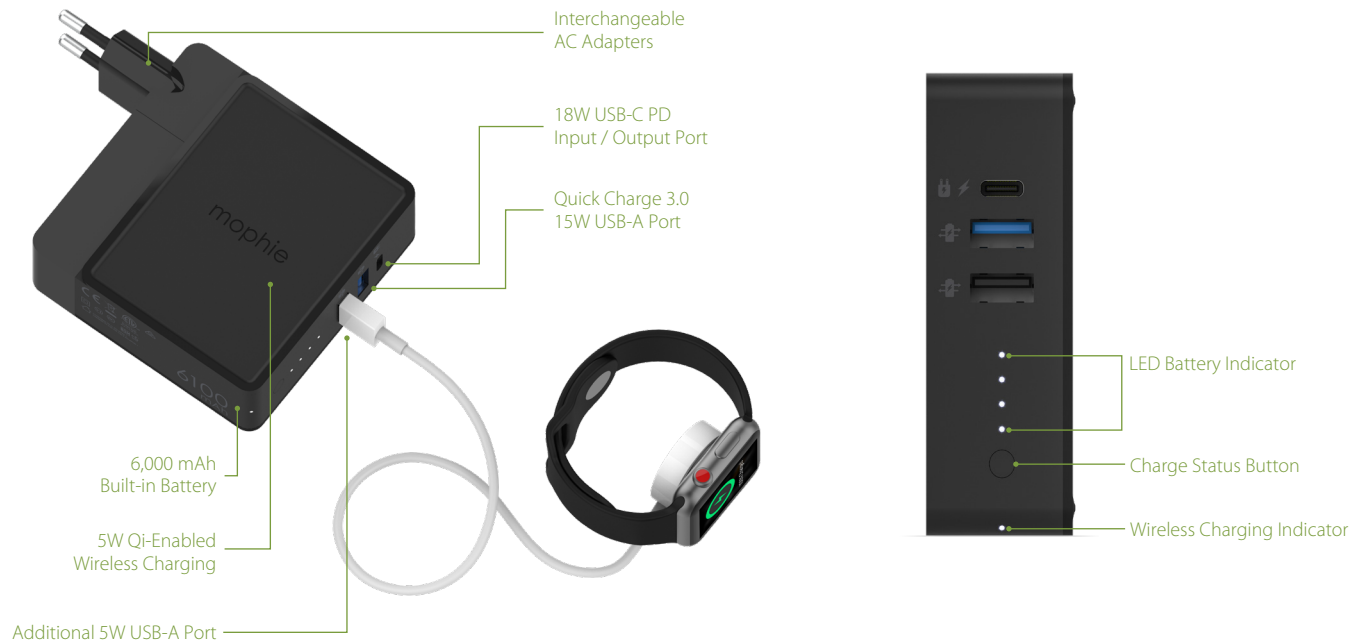

An ultra-portable design makes it easy to carry the powerstation hub just about anywhere.

### Key Selling Points

- Interchangeable AC power prongs make it easy to recharge your powerstation no matter where you are in the world.
- Use the USB-C PD port to recharge the powerstation hub, or use that same port to charge a device at an ultra-fast speed.
- Charge multiple devices simultaneously with two USB-A ports, a USB-C PD port, and wireless charging.
- A built-in 6,000mAh portable battery keeps your devices charged throughout the day.
- A rubberized, non-slip wireless charging surface keeps your device in place while charging.
- The ultra-portable design allows the powerstation hub to fit easily in your bag.
- You can also simultaneously charge multiple devices while the hub is plugged into an outlet.

The next generation of universal power.
