22mm (Including foam strip)

Visor Weight:

44g

Packaging Dimensions:

Unit of Measure	Packaging Material	No. of Units	Height (mm)	Width (mm)	Depth (mm)	Weight (g)
Carton	Cardboard	10	325	210	115	440
Pallet	Shrink-wrap	200 x 10	1800	1200	800	105,000

Handling and Storage

Handling: Use appropriate handling techniques. There is minor risk of lacerations.

Storage: Products should be stored away from sources of ignition and radiant heat.

Disposal Considerations

Disposal should take place in accordance with local and national regulations.

Marketing Information

These high quality visors are made using hermetic 250 micron polycarbonate, which is designed to prevent the spread of viruses and microbes. Easy to clean and sanitise, it is rigid, shock and UV resistant. The a PE foam strip and elasticated head band (made from 60% polyester, 40% rubber threads) offers maximum comfort. Includes a protective film layer on the front of the visor. Ideal for employees when coming into contact with customers, patients or colleagues. Dimensions: 31.5cm (H) x 19.5cm (W).
