The Ultimate Guide to Screen Cleaning

Let's start small with smart phones, tablets and e-readers and work up to those larger PC and TV screens... whether you love a wet wipe, want to clean on the go or prefer a traditional wet and dry combination, AF has the solution.

Tech-Wipes
(MTW025P)
Handy flat pack of 25
impregnated wipes. Just
wipe and go.

Micro-Fibre Clene
(LMF001)
Exceptionally soft,
washable microfibre
cloth. Buff your tech
until it gleams!

Smart Wipes
(SMARTWIPE10)
Reusable, washable and very
strong. Smart wipes are packed
in individual sachets and can be
used with AF sprayable cleaning
products.

Multi Screen-Clene
(MCA_200MIF)
Universal safe cleaner
with microfibre cloth.

Multi Screen-Clene
(XMCA25MF)
Travel friendly; a handy
bottle of cleaning
solution and cloth.

Screen-Clene Tub
(SCR100T - 100 wipes)
The ultimate quick fix. Keep a tub
at your workstation for an instant
screen refresh.

Screen-Clene Duo
(SCR020 - wet and dry
sachets)
Duo sachets; just wipe
and then dry off.

**Remember: AF always recommends that you spray screen cleaning products onto a cloth and gently wipe your screen. Never spray product directly onto the screen surface.
