Full Motion Universal Ceiling Mount for Projectors

MODEL NUMBER: **DUNVPJT**

Suspends a digital projector from the ceiling, which saves valuable wall and floor space. Ideal for home theaters, classrooms, boardrooms, hotels, bars and restaurants.

Description

The DUNVPJT Full Motion Universal Ceiling Mount saves valuable wall and floor space by suspending your digital projector from the ceiling. Ideal for home theaters, classrooms, boardrooms, hotels, bars and restaurants, the DUNVPJT fits most projector brands.

An integrated ball-joint design allows easy customization of your viewing at any time. A 360° swivel and -20° to +20° tilt capability provides comfortable viewing from multiple angles. The easy-grip adjustment knob holds the image position with no sag or drift. A quick-release connector allows easy removal of the projector for cleaning or light bulb replacement and reinstallation with no realignment necessary.

The durable all-metal unit supports up to 55 pounds. The scratch-resistant powder-coated finish tolerates frequent handling and blends with any décor. Installation hardware is included. The DUNVPJT's base plate and four adjustable support arms conform to hole patterns located on the housing of most projectors.
