

## 1m Black SuperSpeed USB 3.0 Cable - Right Angle A to B - M/M

Product ID: USB3SAB1MRA

The USB3SAB1MRA 1m Black USB 3.0 A to B cable features a right-angled USB 'A' male connector, enabling you to connect your USB 3.0 Type 'B' peripherals to your PC, laptop, or server, even in hard to reach areas and tight spaces.

The right-angled USB 'A' connector positions the cable nearly flush against a wall or other surface, and eliminates the space typically required to accommodate a 'straight' connection from the cable into the USB port.

Harnessing the full capabilities of the SuperSpeed USB 3.0 standard when used with a USB 3.0 host and device, the 1m cable offers a bandwidth of 5Gbps.

Plus, this right angle USB 3.0 cable also features high quality Shielded Twisted Pair (STP) construction, which helps prevent electro-magnetic interference and ensure reliable data communication.

The USB3SAB1MRA USB 3.0 A to B cable is backed by StarTech.com's Lifetime Warranty, for guaranteed quality and dependability.

### Certifications, Reports and Compatibility

### Applications

- Connect a SuperSpeed USB 3.0 Type B peripheral (hard drive enclosure, card reader, docking station, video capture device, etc.) to a USB 3.0 capable desktop, laptop, or server, even in hard to reach areas and tight spaces

### Features

- 1x Right-angled USB 3.0 'A' male connector
- 1x USB 3.0 'B' male connector
- Designed and constructed to SuperSpeed USB 3.0 Specifications
- High quality Shielded Twisted Pair (STP) construction
- Data transfer rates up to 5Gbps
- Molded connectors with strain relief
- Backward compatible with USB 2.0
