

6in 4 Pin LP4 to Left Angle SATA Power Cable Adapter

Product ID: SATAPOWADPL

The SATAPOWADPL Molex to 90-degree SATA power adapter features one 4-Pin Molex (LP4) male connector and a left angle, 90-degree SATA power connector (female), which enables you to power a Serial ATA hard drive from a conventional LP4 connection and eliminates the need to upgrade the computer power supply for compatibility with the SATA hard drive.

The 90-degree (left angle) SATA power connector makes it easier to connect a SATA drive that's installed in hard to reach areas or tight spaces, avoiding the strain on both the connector and cable.

This LP4 to SATA adapter is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility

Applications

- Ideal for small form factor desktop computers or servers that use Serial ATA Hard Drives
- Connecting a Serial ATA Hard Drive to a standard internal Molex power supply connector – SATA (15-pin) to 4-pin Molex (LP4)

Features

- 1x Molex (LP4) power connector
- 1x Left-angle (90-degree) SATA power connector
- Provides 6" in cable length

Connector(s)	Warranty	Lifetime
	Connector A	1 - LP4 (4 pin; Molex-type Large Drive Power) Male
	Connector B	1 - SATA Power (15 pin) Receptacle
Physical Characteristics	Cable Length	152.4 mm [6 in]
	Connector Style	Left Angled
	Product Length	152.4 mm [6 in]
	Product Weight	8 g [0.3 oz]
Packaging Information	Package Quantity	1
	Shipping (Package) Weight	13 g [0.5 oz]
What's in the Box	Included in Package	1 - 6in 4 Pin Molex to Left Angle SATA Power Cable Adapter
