

47127 Briefcase „MONZA“

Product description:
47127 Briefcase „MONZA“,
Leather, black

High class Briefcase with detachable shoulder belt and padded grip made of black leather.

The briefcase „MONZA“ comes with an adjustable silver key lock.

The sufficiently interior part could be extended by a flap with push buttons. Next to the padded laptop compartment at the back are two big main compartments where you can store for example your folders. One of these compartments also contains two pen loops and two multifunctional pockets. Also „MONZA“ has an A4 zip compartment for your documents.

The contrast between the deep black leather and the silver fittings is the optical highlight of this briefcase.
