

Item number: 45039 Attaché laptop case

Product description: 45039 Attaché laptop case

The extendable attaché case is made of black Nylon and imitation leather with two combination locks.

The detachable laptop sleeve with shoulder belt can be used separately or stored in the attaché case.

The upper lid of the case is equipped with an organizer compartment with two A4 compartments, four pen loops, and three card compartments as well as two multipurpose compartments.

The big simple main compartment is expandable by a fold in the bottom which can be opened via four push buttons. With this the case depth can be enlarged by approx. 2 cm.

Outside size: approx. 43 x 30 x 10 (+2) cm

Size laptop compartment: approx. 36 x 24 x 4 cm

Material: Nylon/Imitation leather

Colour: black
