

# 12in Latching SATA to Right Angle SATA Serial ATA Cable

Product ID: LSATA12RA1

This 12in right-angled latching SATA cable features a (straight) female Serial ATA connector as well as a right-angled (female) SATA connector, providing a simple connection to a Serial ATA drive even if space near the drive's SATA port is limited. The cable offers latching connectors, which ensure secure connections for SATA hard drives and motherboards that support this feature.

Once the right-angled SATA connector has been inserted into the drive's SATA data port, the shaft of the cable is seated flush with the rear panel of the drive, eliminating the clutter of excess cable at the connection point - an ideal solution for small or micro form factor computer cases.

The right angled SATA cable supports high speed data transfers up to 6Gbps, and features a thin, narrow construction that helps to improve airflow within the computer case; the cable features a rugged, yet flexible design that makes it easy to make the SATA connection as needed, and is backed by StarTech.com's Lifetime Warranty.

### Certifications, Reports and Compatibility

### Features

- Compliant with Serial ATA III Specifications  
Fast data transfer rate of up to 6 Gbps

	Warranty	Lifetime
<b>Performance</b>	Type and Rate	SATA III (6 Gbps)
<b>Connector(s)</b>	Connector A	1 - SATA (7 pin, Data) Latching Receptacle
	Connector B	1 - SATA (7 pin, Data) Latching Receptacle
<b>Physical Characteristics</b>	Cable Length	304.8 mm [12 in]
	Color	Red
	Connector Style	Straight to Right Angle
	Product Length	304.8 mm [12 in]
	Product Weight	8 g [0.3 oz]
<b>Packaging Information</b>	Shipping (Package) Weight	13 g [0.5 oz]
<b>What's in the Box</b>	Included in Package	1 - 12in SATA to Right Angle SATA Serial ATA Cable
