EcoTank ET-3750

This next generation EcoTank is a fast 3-in-1 with 30 page automatic document feeder (ADF). It can reduce printing costs by 74% on average[1].

Shrink your overheads with Epson's cartridge-free EcoTank, which can reduce printing costs by 74% on average[1]. Delivering a ultra-low-cost per page, the included three years' worth of ink[2] can print 14,000 pages in black and 11,200 in colour[3]. This 3-in-1 inkjet with Wi-Fi and Wi-Fi Direct features fast 15ppm[4] print speeds, double-sided printing, a 150 sheet front tray and a 30 page ADF.

Ultra-low cost
EcoTank can slash printing costs by 74% on average[1] thanks to its innovative design. It features an ultra-high-capacity ink tank that removes the need for cartridges, plus it comes with three years' worth of ink[2] included in the box. This model comes with an additional set of ink bottles.

Print thousands of pages
Get more prints between refills. Thanks to the ink included in the box, it can print 14,000 pages in black and 11,200 in colour[3].

Discover the next generation of EcoTank
With the ink tank now housed at the front, EcoTank is more compact and easier to use than ever before. Protecting you against leaks and spills, it features an enhanced ink filling system engineered for mess-free refills. The new bottles also incorporate a mechanism to ensure that only the correct colours are inserted.
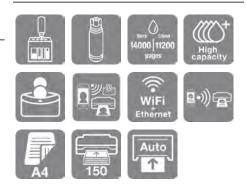

Business quality features
Produce crisp and clear texts thanks to the PrecisonCore printhead and Epson's dye and pigment inks. Designed for business, it offers a 150 sheet paper tray, double-sided printing, fast print speeds of 15ppm[4] and a 30 page ADF. Providing peace of mind, it's also backed by a three year warranty (upon registration).

Print from almost anywhere
With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint[5] app. It can even receive files from almost anywhere in the world via Epson Email Print[5].

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit http://www.epson.eu/pageyield

1. Average number of cartridges/savings for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Western Europe, in the period April 2016 – March 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites.
2. Based on an average print volume of 140 pages per month and considering the lowest yield produced from the first set of inks.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
4. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
5. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
