

Helpful Information.....

A Guide to Choosing the Correct OHP Film

The following is a guide only. For more details on product please refer to the relevant categories listed through to page 240. Also featured are Canon, Epson, Tektronix and Xerox films.

Do you use a printer or photocopier?

If printer - do you use inkjet or laser?

Inkjet

Do you need film for:

- a) An HP printer with removable strip or
- b) A clear film for another make of printer or
- c) A film for state-of-the-art high quality, high speed printers

Laser

Do you use black and white or colour?

If black & white - do you need film for:

- a) Standard clear film or
- b) Film with a paper sheet/tab

If colour - do you need film for:

- a) An HP printer, or
- b) Another make of printer or
- c) A new, high speed, high quality printer

Photocopier

Do you copy in black and white or colour?

If black and white - do you need film for:

- a) Standard dry toner copiers or
- b) Copiers with optical sensing device (short or long side)
 - Paper-backed film with sensing stripe on the short side
 - Paper-backed film with sensing stripe on the long side

If colour - do you need film for:

- a) Premium or
- b) Standard film

Have a printer and copier that needs multipurpose film?
