

MultiSync® EX241UN LCD 24" Commercial Display

# **Datasheet**

NEC MultiSync ® EX241UN Ultra-Thin Bezel - The Trading Floor Benchmark, combining sleek and elegant design with health-conscious performance

The 24" ultra-thin bezel display targeting Financial Professionals with highest productivity, performance and quality, fulfils demand for future-ready design.

"The more you can see the more you can do"; benefit from the four sided 0,8 mm ultra-narrow bezel, or remove the bezel completely to further reduce the display footprint in multi-screen setups. Outstanding productivity additionally requires high attention to healthcare. Ensuring the well-being of the user, built-in Low Blue Light technology and Flicker-Free technology effectively protect the health of the users' eyes.

The ultra-narrow bezel display reduces the display footprint without compromising on screen size and gives trading floors a fresh professional interior with its sleek and elegant design.

#### **Benefits**

Future-Proof Multi-Screen Design – 4-sided 0.8 mm ultra-thin bezel (further removable) reduce the footprint to a minimum without compromising on screen size

**Protecting your eyes from strain and damage** – Built-in Low Blue Light technology filters out hazardous blue light emissions whilst Flicker-Free technology eliminates any backlight flickering, thus protecting your eyes against cataracts and macular degeneration without compromise to true-to-life display colour performance.

**Highest Productivity and efficient Multi-Tasking** – reduce the number of PCs and Daisy-Chain multiple displays using DisplayPort (out) and benefit from Uniformity Control for a consistent visualisation in a trading floor setup.

**Efficient Installation and Configuration** – one button quick release display stand, intuitive joystick button for menu settings. Administrate a complete multi-screen environment simply via master display using Control Sync function.

Auto-Adjust Power Consumption – to minimize unnecessary power, optional Human and Ambient Light Sensor adjusts the display brightness when a user leaves his desk.

Business Class Image Quality – IPS (TFT) panel provides the very best viewing angles as well as noticeably better colour reproduction.

| Product Name  | MultiSync <sup>®</sup> EX241UN |
|---------------|--------------------------------|
| Product Group | LCD 24" Commercial Display     |
| Order Code    | 60004064 (BK), 60004065 (WH)   |

# Display

| Panel Technology             | IPS TFT                                                     |
|------------------------------|-------------------------------------------------------------|
| Screen Size [inch/cm]        | 24 / 60                                                     |
| Screen Aspect Ratio          | 16:9                                                        |
| Pixel Pitch [mm]             | 0.2745                                                      |
| Brightness (typ.) [cd/m²]    | 250                                                         |
| Contrast Ratio (typ.)        | 1000:1                                                      |
| Viewing Angle [°]            | 178 horizontal / 178 vertical (typ. at contrast ratio 10:1) |
| Response Time (typ.) [ms]    | 6                                                           |
| Colours [Mio.]               | 16.77                                                       |
| Colour Gamut Size / Coverage | 100% /0% sRGB                                               |

# **Synchronisation Rate**

| Horizontal Frequency [kHz] | 31.5 - 83 |
|----------------------------|-----------|
| Vertical Frequency [Hz]    | 56 - 75   |

### Resolution

| Optimum Resolution | 1920 x 1080 at 0 Hz |
|--------------------|---------------------|
| Supported          | 1920 x 1080 (60 Hz) |

# Connectivity

| Digital | 1 x DisplayPort; 1 x DisplayPort out; 1 x DVI-D; 1 x HDMI; USB ver. 3.0 (3 down / 1 up) |
|---------|-----------------------------------------------------------------------------------------|
| Analog  | 1 x D-sub 15 pin                                                                        |

## **Electrical**

| Power Consumption on Mode [W] | 15 (Eco Mode 2); 19 (Eco Mode); 19 (shipping); 45 (max.) |
|-------------------------------|----------------------------------------------------------|
| Power Savings Mode [W]        | 0.3                                                      |
| Power Supply                  | internal power supply                                    |

## **Environmental Conditions**

| Operating Temperature [°C] | +5 to +35 |
|----------------------------|-----------|
| Operating Humidity [%]     | 20 to 80  |
| Storage Humidity [%]       | 10 to 85  |
| Storage Temperature [°C]   | -10 to 60 |

## **Ergonomics**

| Height adjustable stand [mm] | 100                                    |
|------------------------------|----------------------------------------|
| Screen Tilt [°]              | -5 to +30                              |
| Screen Swivel [°]            | -170 to +170                           |
| Screen Rotate [°]            | -90 to 90 (landscape to portrait mode) |

### Mechanical
