

# Linx 10<sup>20</sup> 4G

## with Keyboard Dock

### Your connected 2-in-1 companion

The Linx 1020 4G is the perfect 2-in-1 device for working and gaming on-the-go. This brilliantly connected device has all the great features of Windows 10 with performance from the latest Intel Atom x5 processor and keeps you connected to everything important with both dual-band Wi-Fi and 4G networks. Stay productive with the laptop-style Keyboard Dock or simply detach and go for a handheld companion with all your social and entertainment needs.

#### Complete connectivity.

With 2 full-size USB ports, the Linx 1020 lets you connect all your external devices without the need for additional hubs or cables. Whether you need files from your external HDD, prefer to use a mouse when working, or just want to plug in your Windows Xbox controller for a better gaming experience, the Linx 1020 lets you work and play the way you want to.

#### Stay connected to what matters to you.

With both dual-band Wi-Fi and 4G connectivity, you can always stay connected to what matters most to you. Whether working, gaming, staying in touch using social media - or a bit of everything - the Linx 1020 4G will keep you updated and connected wherever you are.

#### Blockbuster gaming.

The Linx 1020 combines with the power of In-Home streaming to take blockbuster games and place them in your hands. From casual gaming to intense multi-player scenarios, just connect your controller, setup your network and login details, then enjoy the very best gaming experiences whether streamed directly from your Xbox One console, gaming PC setup with a Steam account, or downloaded directly and installed from the Windows Store or other digital game stores.
