# Data Sheet FUJITSU Desktop ESPRIMO P958

# Powerful desktop PC with superior expandability

The FUJITSU ESPRIMO P958 Desktop provides highest manageability and performance. The 8th Gen Intel® Core™ processor and Intel® vPro™ technology combined with the DeskView manageability suite support professional computing and advanced manageability. With tool-less access to components, front connectors and four full-height slots for additional graphics cards, ESPRIMO P958 ensures excellent serviceability, ease of use and expandability. The low noise design (and optional Zero Noise PC function) supports a pleasant working environment. The innovative Low Power Active Mode feature ensures instant communication in the office. Outstanding production quality extends the product lifetime and efficient power supplies help reduce your energy bills. Finally, the Fujitsu EraseDisk function ensures your data is securely wiped on retirement.

## Expandability

Most expandable microtower business PC with rich configuration options

Full-height PCle slots for more add-on cards, more drives, along with a full-sized DVD

# Zero Noise PC

Pleasant working environment due to completely quiet system (solid state disk required) Fan stop in standard operations (for E94+ only)

## Always Available Office PC - stay connected and save power

Be ready for instant communication and a significantly reduced energy bill

Innovative Low Power Active Mode and energy-efficient integrated power supply

## Superior system management

- Simple system administration for complex IT infrastructures
- Intel® vPro™ technology (depending on processor) and DeskView manageability suite

## **Robust Security**

Designed to protect data and hardware components against manipulation and theft

- Cable cover with lock option at the back to protect ports, cables and components from theft.
- Embedded Trusted Platform Module (TPM), Fujitsu Workplace Protect software with full disk encryption and system-level passwords. EraseDisk software and SmartCard are available as options
