

EcoTank ET-16500

This EcoTank is a A3+, fast 4-in-1 with 500-sheet capacity

Take advantage of ultra-low-cost printing up to A3+ with Epson's cartridge-free EcoTank ET-16500. With the ink included you can print 10,500 pages in black and 11,300 in colour¹ making it possible to reduce your printing costs. This model includes A3 double-sided print, scan, copy and fax, Wi-Fi, 35 page ADF and print speeds up to 18ppm².

Ultra-low-cost printing up to A3+

Discover an ultra-low cost per page for A3+ printing with Epson's cartridge-free EcoTank ET-16500. By incorporating an ultra-high-capacity ink tank, it completely removes the need for cartridges. It comes with a substantial quantity of ink included in the box, making it possible to reduce your printing costs. What's more, additional low cost refill bottles are available.

Print thousands of pages

Get more prints between refills. Thanks to the ink included in the box, it can print an impressive 10,500 pages in black and 11,300 in colour¹.

Mobile printing

With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint³ app. It can even receive files from almost anywhere in the world via Epson Email Print³.

Business quality features

Produce crisp and clear texts thanks to the PrecisionCore printhead and Epson's dye and pigment inks. Designed for business, it offers fax, two 250-sheet front trays, double-sided printing, fast print speeds of 18ppm² and a 35 page A3 automatic document feeder (ADF). Providing peace of mind, it's also backed by a three year warranty (upon registration). It's also easy to use with a 10.9cm touchscreen.

INK BOTTLE YIELD DATA

		●	●	●
Included	10,500 pages*	11,300 pages*		
Replacement	6,000 pages*	6,500 pages*		

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. Average number of cartridges/savings for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Western Europe, in the period April 2016 – March 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites.
2. 12. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
3. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
4. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
