

dLAN® 550 WiFi

devolo

High-speed Wi-Fi

1x Ethernet port

The small compact unit that's even less obtrusive. Even better performance.

Now you can finally have fun surfing via Wi-Fi throughout your home! dLAN® 550 WiFi with range+ Technology provides fast, high-performance Internet connections with significantly longer ranges. As a dLAN® adapter, dLAN® 550 WiFi uses your household electrical wiring as a long cable and brings the Internet to any room. Thanks to the intelligent WiFi Move Technology, all terminal devices are also automatically connected to the best available WiFi access point—top-performance WiFi reception for smartphones, tablets etc. in all rooms and on every floor! Along with its compact and unobtrusive design, dLAN® 550 WiFi provides a LAN port for one additional terminal device (such as a smart TV). Experience boundless Internet freedom—with dLAN® 550 WiFi from devolo.

dLAN® 550 WiFi

Highlights:

- dLAN® 550 WiFi brings the Internet to any corner of your home over the electrical wiring—no stuttering, no dropouts!
- Top-performance Wi-Fi reception for smartphones, tablets, etc. at speeds up to 300 Mbps.
- Powerline connection over the electrical wiring at speeds up to 500 Mbps.
- For the first time, devolo range+ Technology is taking advantage of all three wires in the electrical circuit for even greater performance and extended range.
- The additional LAN port lets you connect another Internet-compatible device (e.g. game console or smart TV) to the Internet at any time using a network cable.
- Compact design for convenient placement throughout the home, at any power socket.
- WiFi Move Technology can automatically connect multiple Wi-Fi adapters to a single Wi-Fi network. Optimal Wi-Fi reception throughout your home – entirely automated.
- The intuitive my devolo app helps you perfectly manage your personal home network to meet all your needs (e.g. parental controls, guest accounts, Wi-Fi time control).
- Rely on number 1: More than 25 million devolo dLAN® adapters have been sold worldwide.
- 3-Year manufacturer's warranty.

The Powerline technology ensures a stable Internet connection with significantly longer ranges. Uses your power outlets even more efficiently.

WiFi Move Technology automatically connects multiple adapters to a single Wi-Fi network. Optimal Wi-Fi reception throughout your home—entirely automated.
