

EL-331ERB

From Sharp's best selling desk product line

Compact

**Dual
Power**

**Modern
Styling**

**Currency
Conversion**

The EL331ERB is 10 digit model in Sharp's most popular desktop series and is updated with a metallic look finish and a stylish shiny cover for the solar panel and LCD screen. To minimise the number of key presses and to save time, a currency convertor and tax calculation function is included as standard. The EL331ERB is perfect for any user who requires reliability, good looks, and a larger 10 digit screen for displaying longer calculations.

- Portable yet suitable for desk use
- 10 Digit Large LCD display
