

UST.

Ideal for both replacement
and new-build projects

With the addition of a model for 2018, the Casio Ultra Short Throw series achieves up to 3,500 lumens brightness, creating powerful and visual presentations even in smaller rooms.

The Casio UST can be mounted close to the wall and is capable of projecting a 60-inch screen image from a distance of just 13 cm. On screen shadowing is virtually eliminated, allowing for more creative and engaging presentations. The mercury-free Laser & LED light source offers excellent total cost of ownership, with no replacement parts and minimal maintenance throughout the projector's 20,000 hour lifetime.

Key features

- Lamp-free
- Up to 3,500 ANSI lumens
- XGA and WXGA resolution
- Creston Roomview Express®
- Horizontal and vertical keystone correction for easier installation
- Quick start and stop
- Low power consumption
- Lifetime filter (dust resistant)
- Extensive connectivity options
- HD ready

Recycle and replace with Casio

Recycle any brand of used projector completely free of charge when you choose Casio, reducing the harmful waste from lamp-based projectors going to landfill.
