STARTER KIT
ANALOGUE

0067

This Starter Kit is for those professionals who need to generate and transcribe large quantities of dictation. The End-of-Letter Index tone on the 488 enables you to mark the end of each piece of work. The Executive Desktop 720 recognises this information as well as the total number of documents, making it easy to plan the workload more efficiently.

Included in the Analogue Starter Kit 0067:

Headset 234

Power Supply 155

Mini Cassette 005

Foot Control 210

2 x AA Batteries
