

# USB 3.0 External HDD

# **BUFFALO**™

## Media Hard Drive for TVs, Recorders, and PCs

HDV-SA

## Ready to Capture – and Keep – your Favorite Programs and Entertainment

Buffalo Technology's new HDV-SA series enables users to maintain extensive media libraries while freeing up TVs, TV recorders, and PCs to keep recording the programs and movies they love.

Buffalo's external Media Hard Drive is both beautiful and well-designed. From the outside the drive visually blends with surrounding devices and cables are placed out-of-the-way, and held there, to maximize the drive's convenience. Inside the HDV-SA series has a special fan-less and floating structure, and vibration-dampening rubber, to assure the quietest possible operation.

Buffalo's HDV-SA series is compatible with TVs, TV recorders, and computers; and users will enjoy added speed when paired with USB3.0 devices. Buffalo's drive is also energy-saving: Auto power on and off works in sync with attached devices.

Buffalo's Media Hard drive is Panasonic-approved and includes optimized firmware that helps ensure smooth streaming playback with special AV commands and superior error handling.

Buffalo's HDV-SA series comes in 1, 2, or 3TB capacities with factory-confirmed hard drives tested for both high reliability and durability.

HDV-SA

## Features and Benefits

- Works for everyone, optimized for Panasonic
- Ideal for capturing, storing, and sharing your multimedia files
- Compatible with TVs, TV recorders, and computers
- Specially-designed housing ensures the quietest possible operation
- Designed for convenient setup and use near TVs
- Auto power on, and off, works in sync with attached devices
- Customized and Panasonic-approved firmware helps ensure smooth streaming playback for Panasonic VIERA TVs and Panasonic DIGA TV recorders
- HDV-SA hard drives are factory-tested for durability and high-reliability

# USB 3.0 External HDD

## Media Hard Drive for TVs, Recorders, and PCs

HDV-SA

## Specifications

Internal Hard Drives	
HDD interface	SATA3
Capacities	1, 2, 3TB
Number of drives	1
Interface(s)	
Standard compliance	USB 3.0
Connector type	USB 3.0 Micro B
Number of ports	1
Data transfer rate (brutto)	5Gb/s
Other	
Supported OS	Windows 10 (64-bit/32-bit), Windows 8.1 (64-bit/32-bit), Windows 7 (64-bit/32-bit)
Dimensions (WxHxD)	207 x 123 x 40.5 mm
Weight	900g
Operating environment	5-35 °C, 20-80 %
Power consumption	18W
Power supply	External, i/o 100-240V, 50/60Hz universal/ 12V, 1,5A
Special device support	Customized firmware, AV commands, and error handling for Panasonic TVs, recorders, and video cameras
