Basics Range

Utility^{AF}

The brand new Utility^{AF} range is an economic 'back to basics' alternative to the AF International premium cleaning range. Pared back packaging and simple materials for essential cleaning requirements make up the Utility^{AF} products.

This basics range includes flammable spraydusters, a selection of screen, telephone and surface cleaning solutions providing value for money cleaning solutions for workstations.

Sprayduster Zero Basic

A basic HFC free, non-flammable sprayduster zero with single power setting. Can be used at any angle to access hard to reach areas of equipment, removing dust and debris effectively.
