Forget compromise; with the XP-6105 you can produce high-quality photos and text documents from a compact and stylish all-in-one. It's economical too with individual ink cartridges for replacing just the colour you've used. And if printing away from your desktop appeals, there's a full suite of mobile printing options.

Style and substance
Unsightly tech is a thing of the past; this all-in-one looks great from every angle. And wherever you choose to place it, the modest footprint ensures it takes up as little space as possible.

Best of both worlds
Enjoy the beauty of high-quality photos and crisp, clear text documents with the five-colour Claria Premium dye and pigment ink set. Photos are crystal clear with vibrant colours and deep, rich blacks as Claria Premium incorporates a photo black ink cartridge.
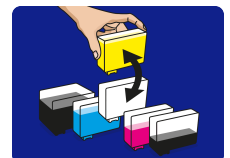

Mobile printing
Print using smart devices with Epson's free apps, Wi-Fi, and Wi-Fi Direct. Print and scan wirelessly with Epson's iPrint[1] app or try Epson's Creative Print[1] app to print photos from Facebook, create greeting cards, and more. And print from almost anywhere in the world by emailing files to the printer with Epson Email Print[1].
