Expression Home XP-4100

3-in-1 | 33 ppm* Print | 1200 dpi Scan | Copy

Wi-Fi® | Direct | A4

6.1 cm LCD

Save money, space and time with this 3-in-1 with A4 double-sided printing, individual inks, mobile printing and a large LCD screen.

This stylish and affordable 3-in-1 delivers much more than just the basics from its compact footprint. Its prints are clear, vibrant and cost effective thanks to individual inks and double-sided printing. Printing away from a desktop is made easy with a range of compatible mobile printing apps and a 6.1cm LCD screen.

Sleek and stylish 3-in-1
This affordable, stylish and compact model efficiently uses your space combining printing, scanning and copying facilities in one unit.

Easy to use
This printer is designed to be effortless to use with all the essentials and a range of extras for your convenience. It's versatile with Wi-Fi for printing and scanning wirelessly around the home, and Wi-Fi Direct for printing without a wireless network. Share scans with Scan-to-cloud, print without a computer using the 6.1cm LCD screen, and double-sided printing reduces paper usage.

Efficient & affordable
The 603 ink series provides a low-cost yet reliable printing solution. This four-colour ink set can print an array of documents with defined text and graphics. Each colour is supplied individually, so you only replace the colours you need. This makes individual inks 50% more efficient compared to tri-colour cartridges[1].

Unleash smart devices
Print and scan from smart devices using Epson's free iPrint app[2]. Feeling artistic? The Epson Creative Print app can print photos directly from Facebook, create custom greeting cards and stationery, and even turn photos into colouring book templates[2]. Alternatively, Email Print makes it possible to print from almost anywhere in the world by simply emailing files to the printer[2]. You can also take advantage of Apple Airprint[2].
