# Teamwork on display

DELL 55 4K CONFERENCE ROOM MONITOR | C5519Q

4K

IMPRESSIVE VISUALS IMPACTFUL PRESENTATIONS

The 4K resolution makes content crisp, vibrant, and most importantly easy to see.

SIMPLE SETUP AND MANAGEMENT

Convenient connectivity with easy installation and network manageability.

DESIGNED FOR SMALL AND OPEN MEETING SPACES

The ideal display for small to medium-sized meeting spaces.

HIGHLY RELIABLE

Dell monitors — the number 1 monitor brand worldwide for 5 consecutive years.*

Built for business

CONNECT

Connect virtually any device to the Dell C5519Q Large Format Monitor. Users can simply plug in their device via the variety of ports conveniently located on the side of the monitor or use their preferred wireless casting device.

PRESENT

Experience exceptionally sharp text and images with 4K resolution on a Large Format Monitor that is optimized for text. The monitor's wide 178°/178° viewing angle lets you and your team see fine details and vibrant colors from either side of the room.

You can also automatically wake-up and shut down your monitor and other devices while connected to compatible HDMI CEC devices.

MANAGE

The RJ45 & RS232 ports allow you to conveniently control your monitors via the network or meeting room control systems.

You can also reduce display changes in high traffic environments with Lock Mode, a feature that allows IT to control menu and power options.

RELY ON

As the No. 1 monitor brand worldwide* for over 5 years, we take pride in our unyielding commitment to quality and the utmost customer satisfaction.

Your monitor comes with a 3-year Advanced Exchange Service[1] so that if a replacement becomes necessary, it will be shipped to you the next business day during your 3-year Limited Hardware Warranty[2]. You can also extend your coverage up to 5 years.
