Highlights

All the sound you need

The crackle of laser-fire. The roar of a crowd. Two channels liberate the sound of your favourite movies and shows. The powerful, slimline wireless subwoofer significantly enhances bass. Explosions will rumble and music sounds deep and rich.

Dolby Digital

Be immersed in your favourite shows and movies. This soundbar with wireless sub-woofer supports the Dolby Digital surround-sound format for a more expansive and involving experience.

Your favourite tunes

Movie over? Time for a post-series-finale discussion? Once the on-screen drama has ended, switch the soundbar to Bluetooth and cue up a playlist. Or play your tunes straight from USB. You'll enjoy the same rich sound, whatever you love to listen to.

Distinctive design

The beautifully simple, angled design and low profile make a statement in any home. When it comes to placement, the included wall brackets keep your options open. The slim design of the powerful subwoofer makes it easy to conceal.

Any source

Connect via HDMI, audio-in, USB and more. HDMI-out (ARC) lets you control the soundbar with your TV remote.
