

Power Extension Cord, NEMA L6-30P to NEMA L6-30R - Heavy-Duty, 30A, 250V, 10 AWG, 8 ft. (2.43 m), Black

MODEL NUMBER: P041-008

Heavy-duty extension cord connects devices with NEMA L6-30P/L6-30R power connectors or extends your existing power connection by 8 ft.

Features

Heavy-Duty Extension Cable Connects Devices That Require a Heavy-Gauge Connection This heavy-duty extension cord features 10 AWG wire suitable for high power connections, making it a reliable solution for large server applications that require a higher-rated, heavier-gauge cable. This NEMA L6-30P to L6-30R cord can be used to connect a PDU or UPS system to an AC wall outlet or connect another high-output device to a PDU or UPS with L6-30R outlets. It is also a recommended replacement or upgrade of a standard power cord provided by the device's manufacturer. The 8-ft. (2.43 m) length allows you flexibility in placing equipment with respect to the power outlet.

Locking Connectors Help Prevent Accidental Disconnection and Expensive Downtime Having a cable come loose accidentally can mean the loss of power and costly downtime. Locking connectors on each end help you avoid such danger, protecting critical equipment by maintaining a secure link without failure. The locking cable is also invaluable when moving equipment in a rack or removing equipment from tight areas, ensuring the power cord always stays connected.

Highlights

- Recommended for powering PDUs, UPS systems and other heavy-duty devices
- 8-ft. (2.43 m) length allows flexibility in placing devices in relationship to AC outlet
- Heavy-duty cable replaces or upgrades standard power cord provided by manufacturer
- Thick 10 AWG wire gauge manages high power levels required for larger equipment
- Locking connectors maintain secure link to avoid loss of power and costly downtime

Applications

- Connect devices like PDUs and UPS systems to a power outlet up to 8-ft. (2.43 m) away in your office or work space
- Extend an existing power connection up to 8-ft. (2.43 m) to more easily place a device or reach a power source in a rack
- Update or replace the standard power cord provided by a device's original manufacturer

Package Includes

- P041-008 L6-30P to L6-30R Heavy-Duty Extension Cord, 8-ft. (2.43 m), Black
