# Personalised gift wrapping

What better way for your customers to personalise their gifts or gift-wrap their products, than to use customised fabric ribbons or adhesive tapes?

It's easier than ever thanks to a minimum run of just 1 metre, a range of colours to choose from and hundreds of pre-set designs available or the option to customise their own designs.

# Professional packaging for small businesses

With start-up businesses popping up everywhere, it's easy for them to give their business an added professional touch, with packaging that looks the part without the usual price tag or delivery time.

The little addition of branded fabric ribbons or tapes will give them a professional finish and help make all the difference when their delivery arrives.
