- 5 colour options available

These coloured document pockets are ideal for creating bright information centres either in the office, warehouse or anywhere suitable throughout the workplace. Transform plain noticeboards into a bold information centre, perfect for 5S and Lean Management Systems.

### Material Specification

#### PVC Pocket

Coloured 0.6mm PVC back  
Clear 0.6mm UV resistant front

#### Magnetic Strip

Magnetic strontium based  
extrusion, 20mm wide

#### Adhesive Strip

Polyester based tape with  
acrylic adhesive  
Temperature range -40°C to  
160°C, short periods up to  
+180°C

Specific weight	1.2g/cm <sup>3</sup>	DIN53479
Elongation at Break N/mm2	31 length, 28 width	DIN53455
Elongation %	270 length and width	DIN53455
Shore hardness	97A, 55D	DIN53505/10 sec
Shrinkage	1.5%	10 min@80°C
Temperature resistance	-5°C to +50°C	DIN53372
Impact resistance	30 KV/mm	DIN53481
Water absorption	0.4%	DIN53495
Dialectic figure	3.7@100Hz, 3.4@10KHz	DIN53483
Dialectic loss factor	6.3@100Hz, 5.2@10KHz	DIN53483

Magnetic extrusion thickness	1.5mm
Single side multiple magnetised	Mag A or Mag B
Magnetic pull	54g/cm <sup>2</sup>
Temperature resistance	-30°C to +55°C
Magnetic loss occurs	Above 50°C
BH(Max)	0.6-0.8 MGOe
