# FJORD NEST

**The Fjord Nest** is an elegant and original armchair designed for modern interiors. It is not only functional but also very stylish.

Fjord Nest is recommended for offices, hotels, coffee shops and waiting rooms.

Our **Fjord Nest's** large wings allow you to feel intimate with a book, even if you are not the only person in the room.

Iconic "lounge" armchair

Sculptured, soft and spacious upholstery

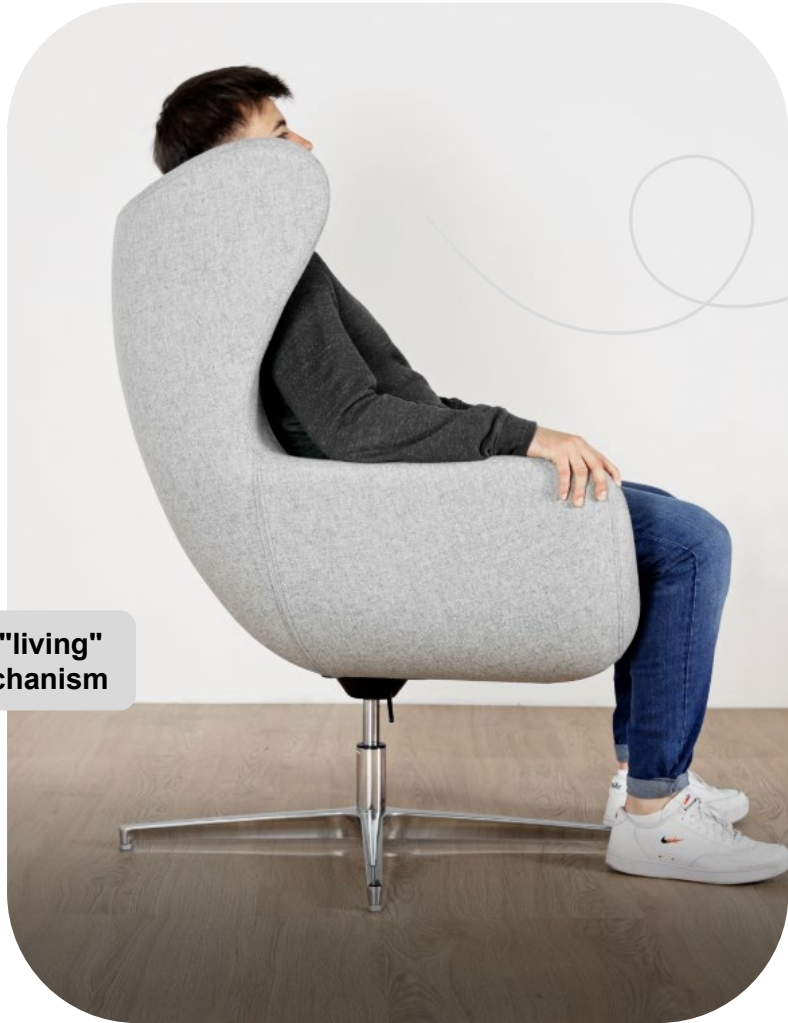

Polished aluminium base

3D "living" mechanism

**3D "living" mechanism**

**Allows you to lean freely in every possible direction**
