

SAFETY DATA SHEET

Canon BCI3 / PGI5 Black

Revision 3

17/01/2003

Composition / Information on ingredients			Preparation contains mostly water with various other ingredients producing slight risk of irritation in their pure state.		
Ingredient Name Ethanol Methanol	CAS No. 6417 67-56-1	Contents <5% <2%	Symbol F Xn	R and S Phrase(s) R11 R20,R21,R22, R68.	EINECS No. 200-578-6 200-659-6
Hazard identification.			The product is not classified as dangerous according to EC Directives and national regulations.		
First Aid measures		Eye contact: Skin contact: Ingestion:	Flush eyes with plenty of water until clear, seek medical advice if irritation persists. Clean affected areas with plenty of water, soap or other non-irritating cleanser. Give 2-4 cupfuls of milk or water, do not induce vomiting, seek medical advice.		
Fire Fighting measures.			Extinguishing media: Water, water mist , foam, dry powder, CO2. Combustion Hazards: May create toxic materials, carbon dioxide, carbon monoxide, various hydrocarbons etc. On thermal decompositions. Cartridges may burst if subjected to extreme heat.		
Accidental release measures.			No hazard foreseen due to container size. Apply normal mopping up procedures and dispose of waste as appropriate. Dispose of bulk spillage via local authority regulations.		
Handling and Storage.			Handle with care. Do not store under heavy load conditions or at extremes of temperature. Keep out of reach of children.		

Exposure control / personal protection.	During fitting and removal of cartridge apply usual precautions for handling of chemicals. Dispose of used cartridges safely, out of reach of children.
Physical Data Form Colour Odour Solubility in water. Flash point.	Liquid As per label Slight alcohol odour. Soluble in Water. N/A.
Stability and Reactivity.	Product stable under normal storage and usage conditions.
Toxicological information.	Toxicological effects unlikely due to size and nature of product design.
Ecological information.	Ecological effects unlikely due to size and nature of product design, provided contents not disposed of in large quantities.
Disposal considerations.	Empty cartridges may be disposed of via local domestic waste regulations. Full cartridges should be kept out of the reach of children until safely disposed of.
Transport information.	Not dangerous cargo, but keep separate from foodstuffs. No special transport requirements necessary under Approved Carriage of Dangerous Goods Regulations.
Regulatory information.	This product is classified and labeled for supply in accordance with regulations as follows: The product is determined as not being dangerous. The information contained in this safety data sheet does not constitute the users own assessment of workplace risks as required by other health and safety regulations.
Other Information	R11 Highly flammable R20 Harmful by inhalation R21 Harmful in contact with skin R22 Harmful if swallowed R68 Possible risk of irreversible effects
