

GB20L: SentrySafe Guardian Storage Box™

The SentrySafe Guardian Storage Box™ is ideal for protecting documents and valuables from fire and water.

FIRE AND WATER PERFORMANCE

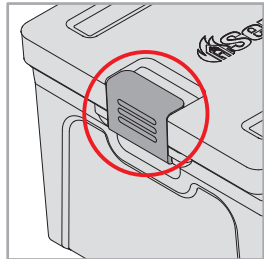

ETL Verified
fire protection for
20 minutes at 1,200°F

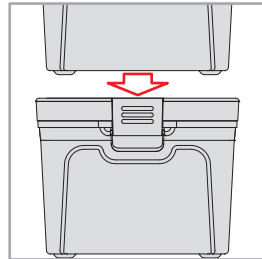

ETL Verified
for spray

FEATURES

Secure lid locks in place with 2 clasps

Stackable
(up to 3 high)

Holds letter and legal-sized documents

USAGE TIPS

- To ensure maximum protection, keep lid on with clasps tightly closed
- Store in a cool, dry place
- Do not stack more than 3 high, doing so could adversely affect fire protection performance

LIMITED LIFETIME AFTER-FIRE EVENT REPLACEMENT GUARANTEE

If this product is damaged by fire at any time while still owned by you (the original owner), Sentry Group will either ship a replacement or provide a credit or refund equal to the purchase price paid, at our option.

THIS GUARANTEE IS NOT VALID IN MEXICO

To obtain service under the Lifetime After-Fire Event Replacement Guarantee, please contact the Sentry Group Customer Service Department by phone at 1-800-828-1438 or via www.sentrysafe.com. Do not ship your product back to Sentry Group. You should be prepared to have the following information available when you call:

- A description of the fire event
- Unit model number
- Photo of the burned unit
- A copy of the report from the fire department, insurance or police

1 YEAR LIMITED WARRANTY

See separate card

⚠️ WARNING

This product is not intended for the secure storage of all materials. Items such as firearms, other weapons, combustible materials, or medication should not be stored in this unit.

NOTE: For the safe storage of firearms, please consider SentrySafe Gun Safe products that are specifically designed for this purpose. Contact SentrySafe at 1-800-828-1438, or visit www.sentrysafe.com for more information.

⚠️ WARNING

DO NOT store delicate items directly in your product.

If you choose to store delicate items such as jewelry with working parts, watches, stamps, or photos in your product, we recommend putting them in an air-tight container, prior to placing them in the product for storage.

⚠️ WARNING

DO NOT store pearls in your product.

In the event of a fire, potential damage to delicate pearls occurs at temperatures much lower than the 350°F interior performance measure. Therefore, DO NOT store pearls in your SentrySafe product.

CUSTOMER CARE

Thank you for purchasing a SentrySafe product. If you experience any problems or challenges with your SentrySafe Guardian Storage Box™, please contact us. Many issues can be resolved quickly without the product being returned.
