MFC-J6520DW Technical Specifications

As part of Brother's A3 Inkjet range the MFC-J6520DW is designed to keep you connected to your business, helping you to work smarter and be more productive. With enhanced connectivity the MFC-J6520DW allows you to access your documents from wherever you are.

Scan directly to your online accounts to access and share your documents with your cloud accounts including Box, Dropbox, EVERNOTE®, Facebook, FLICKR®, Google Drive™ & PICASA™ without the need for a PC. Print directly from your mobile devices with AirPrint, Google Cloud Print™ or Brother's iPrint&Scan app, making it easier to share your printer across multiple users.

It helps make you more productive: the 35 sheet automatic document feeder allows you to scan multipage documents at the touch of a button, making it even easier to archive your documents. High yield ink cartridges help you keep up with your print demands without the need to replace them frequently.

Use the 6.8cm LCD touchscreen to access the intuitive menu system and range of user-friendly, time-saving functions including scan to USB, email or FTP server and preview fax messages.

The MFC-J6520DW complies with the ENERGY STAR standard, ensuring low energy consumption, low noise levels and a recycle-friendly design.
