	Connection: French thread, white colour

This data sheet has been created based on general information required by customers and data supplied by our manufacturers. The information given is to the best of our knowledge correct and will be updated when required by legislation or upon specific request. If further details are required please contact our Customer Services or your Contico Sales Manager. Due to the high demand for legislation information (WEEE, EEE, REACH, COSCH, Package and Waste, etc) and to conform to the parameters of ISO 9001, all relevant information can now be downloaded from the Contico web-site: [www.conticospraychem.com](http://www.conticospraychem.com).

Please let us know by e-mail if you require further product information and we will endeavour to supply/upload the information to our web-site.

If you order products via the web-site, we also offer you the facility to download your own Package & Waste statistics.

If you have any other questions, please do not hesitate to contact us.
