

Pritt Stick	Issue Date	20/10/99 13:42
	Supply Date	05/04/01 13:38
	Ref	He450v03

1. Identification of the	<p>1.1 substance/preparation Pritt Stick: 10,20 and 40g. Sticks. White plastic cylindrical applicator with white cap and black base.</p>
and	<p>1.2 company/undertaking Henkel Consumer Adhesives Road 5 Winsford Industrial Estate Winsford Cheshire United Kingdom</p> <p>Tel 01606 593933 Fax 01606 863762</p>
2. Composition/ information on ingredients	<p>This product does not contain any substances classified under CHIP which require declaration</p>
3. Hazards identification	<p>3.1 Inhalation: There are no inhalation hazards</p>
	<p>3.2 Ingestion: No ingestion hazards</p>
	<p>3.3 Skin and eye contact: There are no skin or eye hazards</p>
	<p>3.4 Chemical and Physical: There are No Hazards associated with this product.</p>
	<p>3.5 Environmental: There are no known adverse environmental effects</p>
4. First aid measures	<p>4.1 Inhalation Not applicable</p>
	<p>4.2 Skin Contact Wash affected area with luke warm water</p>
	<p>4.3 Ingestion If casualty is uncomfortable, wash mouth out with water and give no more than a cupful to drink.</p>

	<p>4.4 Eye contact Wash eyes out with copious amounts of water. If irritation persists seek medical aid.</p>																																																				
5. Fire fighting measures	The product does not support combustion.																																																				
6. Accidental release measures	Collect spilled containers and recover undamaged units.																																																				
7. Handling and storage	Store in dry conditions, and protect from frost and temperatures above 30°C, . No special handling measures are necessary.																																																				
8. Exposure controls/ personal protection	<p>8.1 Exposure Controls Not applicable</p>																																																				
	<p>8.2 Personal Protection No personal Protective Equipment is considered necessary</p>																																																				
9. Physical and Chemical Properties	<table> <tr> <td>Appearance</td> <td>White sticky solid</td> <td></td> <td></td> </tr> <tr> <td>Odour</td> <td>mild</td> <td></td> <td></td> </tr> <tr> <td>Density</td> <td>1.13</td> <td></td> <td></td> </tr> <tr> <td>pH or Conc %</td> <td><10 pH units</td> <td></td> <td></td> </tr> <tr> <td>Boiling Point°C</td> <td>NA</td> <td>Melting Point°C</td> <td>50</td> </tr> <tr> <td>Flash point °C</td> <td>None</td> <td>Flammability</td> <td>None</td> </tr> <tr> <td>Auto flammability</td> <td>None</td> <td></td> <td></td> </tr> <tr> <td>Explosive/Oxidising properties</td> <td>None</td> <td></td> <td></td> </tr> <tr> <td>Vapour Pressure KPa</td> <td>As water</td> <td></td> <td></td> </tr> <tr> <td>Vapour Density</td> <td>As water</td> <td></td> <td></td> </tr> <tr> <td>Evaporation rate</td> <td>As water</td> <td></td> <td></td> </tr> <tr> <td>Solubility</td> <td>Soluble in water</td> <td></td> <td></td> </tr> <tr> <td>Partition Co-efficient: n-Octanol/water</td> <td></td> <td></td> <td>NA</td> </tr> </table>	Appearance	White sticky solid			Odour	mild			Density	1.13			pH or Conc %	<10 pH units			Boiling Point°C	NA	Melting Point°C	50	Flash point °C	None	Flammability	None	Auto flammability	None			Explosive/Oxidising properties	None			Vapour Pressure KPa	As water			Vapour Density	As water			Evaporation rate	As water			Solubility	Soluble in water			Partition Co-efficient: n-Octanol/water			NA
Appearance	White sticky solid																																																				
Odour	mild																																																				
Density	1.13																																																				
pH or Conc %	<10 pH units																																																				
Boiling Point°C	NA	Melting Point°C	50																																																		
Flash point °C	None	Flammability	None																																																		
Auto flammability	None																																																				
Explosive/Oxidising properties	None																																																				
Vapour Pressure KPa	As water																																																				
Vapour Density	As water																																																				
Evaporation rate	As water																																																				
Solubility	Soluble in water																																																				
Partition Co-efficient: n-Octanol/water			NA																																																		
10 Stability and reactivity	There are no known adverse reactions. There are no known hazardous decomposition products.																																																				
11. Toxicological Information	No hazards																																																				
12. Ecological Information	No adverse ecological effects are known or expected from the storage, use or disposal of these products.																																																				
13. Disposal Considerations	The product may be land filled or included in incineration. The product and its packaging can be disposed via normal routes, eg, landfill or incineration.																																																				
14. Transport Information	<table> <tr> <td>CDGCPL Classification</td> <td>None</td> </tr> <tr> <td>Secondary hazard</td> <td>None</td> </tr> <tr> <td>UN No</td> <td>None</td> </tr> <tr> <td>UN Class / UK CLS No</td> <td>None</td> </tr> <tr> <td>Hazard Identification No</td> <td>None</td> </tr> <tr> <td>Packing Group</td> <td>Not applicable</td> </tr> <tr> <td>Hazchem / EAC</td> <td>Not Applicable</td> </tr> <tr> <td>IMDG/ADR/RID</td> <td>Not Hazardous Goods</td> </tr> </table>	CDGCPL Classification	None	Secondary hazard	None	UN No	None	UN Class / UK CLS No	None	Hazard Identification No	None	Packing Group	Not applicable	Hazchem / EAC	Not Applicable	IMDG/ADR/RID	Not Hazardous Goods																																				
CDGCPL Classification	None																																																				
Secondary hazard	None																																																				
UN No	None																																																				
UN Class / UK CLS No	None																																																				
Hazard Identification No	None																																																				
Packing Group	Not applicable																																																				
Hazchem / EAC	Not Applicable																																																				
IMDG/ADR/RID	Not Hazardous Goods																																																				

<p>15. Regulatory Information</p>	<p>15.1 CHIP</p> <p><i>Primary Risk</i> None <i>Secondary Risk</i> None <i>Risk Phrases</i> None <i>Safety Phrases</i> None <i>EC Substance Number</i> None</p>
	<p>15.2 Applicable Regulations</p> <p><i>CHIP</i> Not Classified <i>CDGCPL</i> Not Classified <i>HSWA 1974</i> <i>COSHH</i> The user must make their own assessment of the risks to health due to the use to which this product is put. <i>EH 40/--</i> Not Listed <i>Manual Handling Regulations</i> The user must make their own assessment of the applicability of these regulations to the product. <i>Personal Protective Equipment at Work Regulations</i> The users must make their own final assessment of the suitability of equipment for the specific end use <i>The Controlled Waste Regulations</i> Users must assess their own obligations under these regulations. <i>VOC Content</i> None</p>
<p>16 Other Information</p>	<p>16.1 Poisons Centres Henkel products are registered with the National Poisons Information Service from whom medical professionals can obtain further information.</p>
	<p>16.2 Revision Data All sections were rewritten in this issue</p>
	<p>16.3 Sources of information Suppliers data sheets</p>
	<p>16.4 Restrictions of use This product is intended for use as an adhesive for paper and card only. Other uses may not be covered by the scope of advice in this datasheet.</p>
	<p>16.5 Disclaimer Every effort has been made to ensure that this information is accurate and up to date. Users are reminded that they should ensure that they have retained or internally circulated the most up to date copy as provided to the persons or work locations which require them. No warranty is implied or given as to suitability for use for any activity which is not covered by either the technical data or the restrictions of use above.</p>
	<p>16.6 Certification The product bears a CE mark signifying compliance to EN 71: 1993 BS 5665 : 1994 parts 2 and 5 and EN 71: 1988 BS 5665: 1989 parts 1 and 3. pursuant to the Safety of Toys Regulations 1995</p>
