Overview

As the name suggests, LeatherGrain™ Covers evoke the distinctive, elegant look and feel of real leather. Made from a high content wood pulp and recycled materials, these sturdy A4, 250gsm covers provide exceptional durability and incorporate colour fastening features to ensure your reports stay looking pristine and don't fade over time. LeatherGrain™ Covers come in a broad range of 14 colours. Selected colours are also available with the option of a pre-punched front window to show off your title page underneath.

Description

Arguably the most important page of any report – the one that clients see first, the one with great power to impress – is the cover. It protects your ideas, reflects your company's image and values and represents the 'gift wrapping' of all your effort. The wrong choice can signal insignificance and disaster. As the name suggests, LeatherGrain™ Covers evoke a hint of yesterday, evident in the leather-like grain and colour palette. It's the type of cover that exudes professional content without being pretentious or overbearing. Made from a high content wood pulp and recycled materials, these sturdy A4, 250gsm covers incorporate colour fastening features to ensure your documents stay looking pristine and fade little over time. Double-sided colouring allows for great flexibility when colour matching or contrasting.

This applies to graphics and typefaces within the printed pages as well as binding elements such as spines, so you can customise your document finish to suit the subject matter and your chosen audience. LeatherGrain™ is available in a broad range of 14 colours - a testimony to its popularity and versatility. Choose from white, black, navy blue, royal blue, blue, sky blue, Wedgewood blue, red, dark red, burgundy, dark green, ivory, light grey and dark grey. Some colours are also available with the option of a pre-punched front window to show off your title page underneath – a professional touch particularly appropriate for financial, legal or corporate environments. There are 5 colour options - white, black, royal blue, Wedgewood blue and red – and selected colours also come in a variety of sizes from A5 to A3, for maximum flexibility. LeatherGrain™ Covers offer a truly premium finish compatible with most binding styles: ClickBind™, WireBind, CombBind® and CoilBind™. So you can produce stylish, professional documents time after time.
