

High performance A3+ printer

Get professional colour prints
at up to

50%

cost-per-page savings over A4 lasers¹

HP Officejet Pro K8600 Printer

HIT PRINT
AFFORDABLY

¹ Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for laser printers under US\$300 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for colour prints. Results may vary.

Optional networking for up to five users on a small network¹

High-capacity inks²
deliver up to 2,450 pages (black), 1,700 pages (colour)

High-capacity input tray
Up to 250 sheets

The HP Officejet Pro K8600 Printer delivers fast, professional colour quality prints at up to 50% lower cost-per-page than A4 lasers⁵, using HP Officejet inks. Get impressive prints on a wide range of media, from 3 x 5-inch to 13 x 19-inch. Ideal for everyday print jobs and in-house marketing projects, this high performance A3+ printer with optional wired networking and two-sided printing¹ offers great savings.

¹Wired networking and two-sided printing functions are standard on the HP Officejet Pro K8600dn Printer, and optional on HP Officejet Pro K8600 Printer (not included, please purchase separately).

²High-capacity cartridges not included, please purchase separately. Yield varies considerably based on content of printed pages and other factors. Included ink may be used for printer set up. See www.hp.com/go/learnaboutsupplies

Convenient rear feed
for wide-format
poster-size projects

Optional duplexer
Save as much as 50% paper
cost with the optional
automatic two-sided
printing accessory¹

**Enjoy professional
quality prints** at a low
cost-per-page with
HP Officejet inks

Media versatility
Enjoy borderless printing³
from 3 x 5-inch to 13 x 19-inch

Save up to 50% per page over A4 lasers⁵

Get professional colour quality and laser-quality black printing at a lower cost-per-page than A4-size lasers, using HP Officejet inks. Enjoy significant savings:

- up to 50% lower colour cost-per-page than A4 laser printers⁵
- up to 40% lower black cost-per-page than A4 laser printers⁶

Plus, with the optional high-capacity ink cartridges, you can enjoy high page yields of up to 2,450 A4 pages black and 1,700 A4 pages colour².

Up to
50%
lower colour
cost-per-page
than A4 lasers

Up to
40%
lower black
cost-per-page
than A4 lasers

³Borderless printing is available on brochure and photo papers only.

⁴Laser Quality Speed is an HP measurement method representing the print speed of typical office documents in default mode. Compared to published speeds by laser manufacturers as of September 2007. Test methods may vary.

Fast performance with breakthrough speeds

Print general business documents at breakthrough print speeds of up to 35 ppm black, 35 ppm colour (A4); or professional documents at laser quality print speeds of up to 13 ppm black, 10 ppm colour (A4)⁴.

Draft speeds up to

35 ppm black | **35** ppm colour

Speeds equivalent to a laser printer⁴ with up to

13 ppm black | **10** ppm colour

A3+ versatility

Produce stunning marketing materials in-house and save money without having to outsource. Print postcards, letters, envelopes, spreadsheets, brochures, posters and more—HP Officejet Pro K8600 Printer supports media sizes from 3 x 5-inch to 13 x 9-inch, and a wide range of media types and weights. You can even enlarge documents up to 25 times their original size with the printer's poster printing capability.

3" x 5"

13" x 19"

Easy media handling

For wide-format poster-size projects, use the printer's convenient rear feed which supports media weights up to 280 g/m². For optimum efficiency, the printer comes with a 250-sheet input tray and supports an optional duplexer for automatic two-sided printing¹.

Media weights up to 280g/m²

250-sheet input tray

Networking capabilities

Easily connect up to five users on a small network by adding an optional HP JetDirect external print server¹.

⁴Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for mono laser printers under US\$200 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for mono prints. Results may vary.

HP Officejet K8600 Printer ink cartridge compatibility

HP 18 Officejet Ink Cartridges

Standard

Reliable ink for precise, everyday printing

HP 88XL Officejet Ink Cartridges

Value

Print more, save more with high-capacity cartridges

Lower running cost than laser: Print professional colour quality at a cost up to 50% lower per page than A4 lasers, using HP Officejet ink¹

Save cost with 4 individual ink cartridges and only replace cartridges that run out

Exceptional laser-like printing performance with each original HP ink cartridge—no smudges or leakage

Free, convenient recycling of cartridges through the HP Planet Partners Program²

Why buy Original HP print cartridges

Exceptional value Original HP print cartridges produce twice as many printed pages as compared to refilled ink cartridges³.

Exceptional quality Over 20 years of research and development have gone into the design of Original HP print cartridges to ensure that you get impressive and consistent print and photo quality every time.

Exceptional reliability In a recent study, 42% of the refilled cartridges were “dead on arrival” or failed prematurely³. With Original HP print cartridges, you can expect consistent, reliable and flawless performance.

Environmental commitment HP’s Planet Partners Program² ensures that Original HP print cartridges collected are recycled responsibly. All cartridges returned to the programme go through a multi-phase recycling process, and various parts are reduced to raw materials that can be used to make new metal and plastic products.

Choose HP papers for optimal printing results

For long-lasting prints and professional results, complete your printing needs with...

HP 120 Professional Paper (Matte)

Ideal for professional-quality presentations, proposals, reports and newsletters

- Impressive image quality with vibrant colours and graphics
- Coated on both sides for two-sided printing
- Professional weight—heavier and more opaque

HP Premium Plus Photo Paper

Ideal for high-resolution photo printing with professional quality that resist fading for generations⁴

- Smooth high-gloss/soft-gloss finish, sturdy thickness and weight rival professional photographs
- Unique HP back coating helps prevent prints from sticking when stacked

¹ Cost per page (CPP) laser supplies comparisons based on published specifications of the majority of manufacturers' highest capacity cartridges available for laser printers under US\$300 as reported by Current Analysis West, an NPD Group Company, as of September 2007. Officejet CPP based on HP 88XL Officejet Ink Cartridges (sold separately) and estimated street price and published yield for colour prints. Results may vary.

² HP ink cartridge return and recycling is available in 49 countries and territories around the world, covering 88% of the addressable market; see www.hp.com/recycle for details.

³ Results of 3rd party testing, commissioned by HP done by TÜV SÜB PSB Ltd—2010 Reliability Comparison Study Asia. Ink cartridges tested 45, 78, 56, 57, 60 Black & 60 Tri-colour. Full report available at www.tuv-sud-psb.sg/reportdisclaimer.aspx. Applicable for selected Original HP Ink Cartridges only.

⁴ Fade resistance for up to 115 years. Fade performance (under glass) achieved with newest technology HP inkjet print cartridge models and HP Premium Plus High-gloss Photo Papers. Performance varies with inkjet print combination used. See www.hp.com/paper for more details.

Technical specifications
