HP Color LaserJet CM6040f Multifunction Printer

Ideal for workgroups (of 6 to 15 users) and departmental environments (up to 20 users) within large and medium enterprise managed office environments who need print, copy, scan, fax and digital sending functionality, up to A3 format as well as high quality colour capabilities to produce a range of internal and external business communications.

Boost workgroup productivity with fast print speeds, more functionality and outstanding performance.

Increase output with speeds of up to 31 ppm[2] and 41 ppm[3] in colour and black (A4), and a first printed page in around 12 seconds. Handle complex jobs fast with an 835 MHz microprocessor and 512 MB memory expandable up to 768 MB. Speed up workflow with scan-to e-mail, scan-to network folder, scan-to printer, and fax[4]. Get peace of mind with security solutions like job authentication, encryption and network protection. Paper handling options include a booklet maker and stapler/stacker.

Exceptionally easy to use and manage with an intuitive design and touch screen control panel.

Find applications quickly and experience consistency with the Easy Select[5] control panel's intuitive display. Feature and device management compatibility across your MFP fleet ensures ease of use. Cut costs and save time with HP Web Jetdadmin fleet management software: install, configure and manage remotely, automate routine tasks and track supplies usage. Extend your MFP's capabilities: streamline workflows with advanced solutions like integrated capture, job accounting and security.

Achieve outstanding results with superior colour accuracy and excellent output quality.

Create high quality colour documents up to A3[6] that make a big impact with HP ImageREt 4800. Get exceptional line acuity with up to 1200x600 dpi operating mode, ideal for detailed plans and architectural drawings. Ensure superior colour accuracy with support for colour matching standards and Pantone certification. Produce reliable, consistent, high gloss, colour print quality with improved HP ColorSphere toner. Advanced paper handling options include a booklet maker and a stapler/stacker.
