Your smart colour all-in-one

All-in-one 5/20 ppm

magicolor 1680MF and 1690MF

One compact system for your every need

As compact multifunctionals the magicolor 1680MF and magicolor 1690MF are perfect communication wizards for your home office or small business: With the magicolor 1680MF you get printing, copying and scanning in a single system, while the magicolor 1690MF gives you faxing and full network capabilities on top. Not only does that save you space, it is also much more affordable than buying four separate devices!

Configuration	magicolor 1680MF	magicolor 1690MF	magicolor 1690MF-d	magicolor 1690MF-dt
Print/Copy/Scan	x	x	x	x
Fax		x	x	x
Network capability		x	x	x
Automatic document feeder		x	x	x
Duplex			x	x
200 sheet paper feeder	x	x	x	x
500 sheet lower paper feeder				x

Uncomplicated to use, these flexible all-in-ones for Windows and Mac are your perfect choice to produce and manage the diverse documents and communication you have to deal with every day. With their speed of 5 colour or 20 b/w pages per minute and their comfortably quiet operation, they are just right for the small or home office. One of four preconfigured models is sure to satisfy your specific needs:

- For printing, copying and scanning choose the magicolor 1680MF.
- The magicolor 1690MF combines network printing, copying, scanning, and fax capabilities. It also features a standard automatic document feeder for easier handling of originals.
- If you want all this plus double-sided printing, go for the magicolor 1690MF-d.
- Finally, the magicolor 1690MF-dt is your comprehensive network colour printer, copier, scanner and fax with duplex capability and extended paper capacity for bigger jobs and higher volumes.

→ Completely multifunctional

Whatever you want to do in your office – printing, copying, scanning or possibly faxing – you will find it easier to accomplish it with the magicolor 1680MF and magicolor 1690MF!

These versatile all-in-ones impress with highly flexible media handling and let you print what you like. They process paper weights between 60 and 209 gsm, including thick paper, labels, envelopes, and recycled paper. You can create your own presentations, posters, signs and other sales support items with them; print double-sided leaflets; and for higher volumes extend the paper capacity with the lower paper feeder to a generous 700 sheets. Use the poster function for special effects, blowing up photos on 4, 9, 16 or up to 25 A4 sheets. For downsizing, use the n-up function to combine between two and up to 16 pages on a single sheet!

Different copy modes on the magicolor 1680MF and magicolor 1690MF ensure optimal quality and include a text, a photo and a mixed mode. Two separate start buttons allow instant copying in colour or b/w – simply press the appropriate one and start saving money!

Both the magicolor 1680MF and 1690MF offer convenient scanning to PC. In addition, the standard LinkMagic software provides easy access to the most frequently used scanning applications. Scan images with LinkMagic and save them to any directory on the hard disk of your computer. With its full network compatibility the magicolor 1690MF also lets you scan originals directly to e-mail or a shared folder on your PC.

On top, the magicolor 1690MF gives you the convenience of communication by fax. It boasts a fast transmission speed of just 3 seconds per page, has 220 speed dials and lets you define up to 20 groups with max. 50 stations each.

→ Ease of use

The magicolor 1680MF and magicolor 1690MF are both big on user comfort. With their compact design and small footprint, they are easily integrated into any office setting with limited space. Both feature a large, easy to read display and convenient access from the front for the straightforward exchange of consumables. The automatic document feeder on the magicolor 1690MF makes copying or faxing multi-page documents fast and smooth.

→ Quality and economy

Whether in colour or black & white – the magicolor 1680MF and magicolor 1690MF impress with their brilliant image quality. This is ensured with Konica Minolta's Simitri® HD polymerised toner, which adds clarity and definition to the tiniest detail. At the same time their toner save mode lets you reduce toner consumption and save costs for example for test prints.

→ Clean Planet programme for the environment

In the interest of environmental conservation, Konica Minolta strives to reduce the impact of its products at each stage of the product lifecycle. As one aspect the Clean Planet programme gives you the opportunity to recycle your used toner cartridges for free. Cartridges are recycled efficiently and cleanly, preserving precious resources. Returning the cartridges is quick, easy and completely free for you!

magicolor 1680MF:
52 dB or less printing
35 dB or less standby

magicolor 1690MF:
57 dB or less printing
35 dB or less standby

Regulatory/Safety conformity

Doc, CE Marking, GS, EMC, WEEE, Energy Star (magicolor 1690MF)

Consumables

Pre-installed

Toner:
Cyan, magenta and yellow toner yield up to 500 pages
Black toner yield up to 1,000 pages
Imaging Unit
(waste toner bottle included):
Black yield up to 45,000 pages
Cyan, magenta and yellow yield up to 11,250 pages

Replacements

Toner:
Standard: Cyan, magenta and yellow toner yield up to 1,500 pages
High capacity: Cyan, magenta, yellow and black toner yield up to 2,500 pages
Imaging unit
(waste toner bottle included):
Black yield up to 45,000 pages
Cyan, magenta and yellow yield up to 11,250 pages

Maintenance parts

Fuser unit

Yield up to 50,000 sheets

2nd transfer unit

Yield up to 50,000 sheets

Warranty period and conditions

1 year on-site warranty
(within EU; local law applies)

* For magicolor 1690MF

- All specifications relating to paper capacity refer to A4-size paper of 80 gsm quality.
- All specifications relating to printing speeds refer to A4-size paper that is printed in multipage, simplex mode.
- The support and availability of the listed specifications and functionalities varies depending on operating systems, applications, network protocols as well as network and system configurations.
- The stated life expectancy of each consumable is based on specific operating conditions such as page coverage for a particular page size (5% coverage of A4). The actual consumables life will vary depending on the use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity.
- Some of the product illustrations contain optional accessories.
- Specifications and accessories are based on the information available at the time of printing, and are subject to change without notice.
- Konica Minolta does not warrant that any prices or specifications mentioned will be error-free.
- Microsoft, Windows and the Windows logo are trademarks, or registered trademarks, of Microsoft Corporation in the United States and/or other countries.
- All other brand and product names may be registered trademarks or trademarks of their respective holders and are hereby acknowledged.
