

## Prestige Gridding Assistant 900mm

1903830

### Product Description

Available in two sizes, the Prestige Gridding Assistant is a versatile tool that comes complete with a wet erase marker pen to draw grids and sections on a Nobo Prestige whiteboard. It grips the pen securely allowing you to draw perfect horizontal and vertical lines. The grid lines keep their shape but can be easily removed subsequently as required. 900mm in width.
