

MB280 and MB290

OKI
PRINTING SOLUTIONS

All in one solution for your everyday business needs

The MB280 is ideal for SOHO's whilst the MB290 with network as standard is suitable for small workgroups. A smart, compact, 4 in 1 device delivering professional A4 documents in an instant. These multifunctional products will print in mono at 20 pages per minute helping to improve productivity. Direct faxing with easy to use keyboard for time critical moments. And with the added benefit of colour and mono scanning, important documents can be stored electronically for greater organisation and safe keeping.

The MB280 and MB290 combines printing, copying, scanning and faxing with an added value software package which enhances the printers performance. Add to this OKI Printing Solution's unique 3 year warranty and competitive running costs these product's offer both peace of mind and real value for money.

Full of easy to use features

- Simple and easy to set up and operate
- Digital copying with zoom and multi-copy features
- Flatbed allows flexible scanning and copying, assisted by automatic document feeder for multiple pages
- Embedded LDAP, available on the MB290, allows integration of contact and email data from an existing directory server saving you time and improving speed of document delivery
- Supports range of media including address labels, CD labels, letters and envelopes
- Convenient front USB port with 'scan to' and 'print from' functionality allows easy transfer and sharing of documents
- Wireless printing option provides more printing and scanning flexibility in the workplace

- Compact design fits neatly on your desk
- 250 sheet paper capacity means less time reloading and more time printing
- Clever design and a high capacity toner ensures that changing the combined cartridge is infrequent, quick, clean and easy
- Network printing as standard on the MB290 for multiple users

Expect more from your MFP

- Manage archived information and enhance productivity - scanned files can become quickly available and shared through PaperPort's® user friendly thumbnail-based interface
- Ask OKI is easily accessed on-line advice dedicated to the product, including troubleshooting and ideas to improve documents

⁴ To qualify for the extended 3 year warranty, register your product online at www.okiprintingsolutions.co.uk/warranty. Without registration, the standard pan-European 1 year warranty applies.

Specification subject to change without notice. All trademarks acknowledged.

Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Description	Life (pages)	Order Numbers
Toner cartridges*	3,000	01239901
	5,500	01240001

* All toners: A4 pages yield compliant with ISO/IEC 19752 coverage. Printer shipped with 2,000 pages yield at ISO/IEC 19752 coverage.
